Lower Manhattan Disaster Site Litigation, 21 MC 103(AKH) (straddler)**

21 mc 100,

Dear Judge Hellerstein:

On January 11, 2011, the Court entered an Order scheduling a conference on Thursday, January 20, 2011, at 2:15 p.m. in the above dockets. That afternoon, James E. Tyrell, Jr., Esq. submitted correspondence that his office had an unavoidable conflict that date and requested the conference be adjourned to Monday, January 24, 2011. The letter indicated Mr. Tyrell's office had spoken with Lee Ann Stevenson, Esq., who consented to this adjournment. Ms. Stevenson had consulted with me as to my availability prior to consenting to same.

Today the Court entered an Order re-scheduling the conference to Monday, January 24, 2011 at 4 p.m. On further review, I realize I mis-read my calendar and am not available the afternoon of January 24, 2011. After consulting with Owen Roth, he advised that the Court is available to re-schedule this conference to Monday, January 31, 2011 at 10 a.m. I have consulted with both Patton Boggs and Kirkland & Ellis and they have both consented to an adjournment to this date.
